🔗 This article is a retraction of article 10380

This notice retracts the following article: Bourne P. Socioeconomic and lifestyle factors influencing non-communicable disease prevalence among rural Jamaican adults: a population-based study. *Rural and Remote Health* 2026; **26**: 10380. <https://doi.org/10.22605/RRH10380> [<https://doi.org/10.22605/RRH10380>]

The above article, published online on 29 June 2026 in *Rural and Remote Health*, has been retracted by the journal Editor-in-Chief, Paul Worley, and the Latin American Regional Editor, Rodrigo Meucci, with agreement from the sole author, P. Bourne. The retraction follows an alert from the author, who identified a concern regarding permission to use the dataset.
